

USF Guest Wireless Access

- 1) Select "USF-Guest" from the available Wi-Fi networks.

- 2) Once you are connected to USF-Guest, open your web browser and you will be automatically redirected to our Guest Registration Page.

- 3) Select your preferred method of contact, whether "Call me on the phone" or "Send me a text message".

- 4) After a short waiting period, less than 2 minutes, you will receive a temporary access code. Please select the option "I have my access code". You will need to agree to the acceptable use policy to continue.

- 5) Enter your mobile phone number and the Registration code you received and hit "submit"

- 6) You are now connected to USF-Guest. This registration will last for 24 hours and is valid for 1 device.

USF Network Registration

To access the USF wireless network as a guest, you are required to register your device. The registration is a simple four step process:

1. Tell us how to contact you: either by text message or a phone call.
2. Input your mobile phone number.
3. Check your phone.
4. Enter the access code we provide.

Send me a text message >

Call me on the phone >

I have my access code >

Conference.usf.edu users >

You will soon receive a text message from our registration system. Please check your phone for the message and enter the registration code below.
